*Supplemental Notification No. D3. 836-47 of 39-40, dated 29—30th January* 1940.

Subject to the usual conditions of satisfactory progress, good conduct and regular attendance at school and also to the general condition that a scholar shall not hold more than one scholarship at a time, the students of High and Middle Schools whose names are shown in the appended list are awarded Backward Class Scholarships of Rs. 6 and Rs. 3 per mensem, respectively, out of savings and the special grant. The sholarships are tenable from 22nd May 1939 in the case of Middle Schools and 7th June 1939 in the case of High Schools or from the date of the candidate's joining the school, whichever is later, till the 15th March 1940. The scholarships have been awarded on the distinct understanding that as indicated in the respective applications, the students who have been granted scholarships at the full rates were successful at the last annual school or Government Examination, as the case may be. If in this list failed candidates or candidates whose performance in the First Terminal Examination was not satisfactory and candidates who were not selected for the Public Examination have been awarded scholarships; their scholarships shall be drawn and disbursed only at three-fourths of the usual rates. In the case of such candidates, who might have left the school and discontinued their studies, their scholarships shall automatically be treated as cancelled. In both the above cases, reports of action taken should be submitted to this office (Administration and Financial Branches).

The scholarships may, as usual, be drawn and disbursed to the scholars by the Heads of the Institutions concerned *immediately*.
